

The School Choice Kindergarten Placement Process

For unassigned NPS students entering kindergarten in the 2016-2017 school year

What is the school choice kindergarten placement process?

Through an application process, families of unassigned students entering kindergarten for the 2016-2017 school year are able to select (through a rank order method) from a menu of neighborhood and intra-district magnet school choice options that best fit their interest and educational needs.

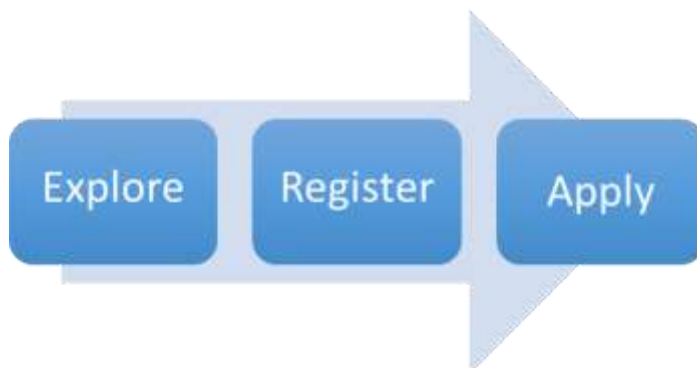

Who can apply?

Your child must reside at an address falling within the unassigned boundaries of NPS. Also, your child must be 5 years old on or before January 1, 2017.

Where can I get assistance to complete the placement process?

Bring all of your documents to the NPS Operations Office at 125 City Hall Board of Education Offices 3rd floor. You will be able to get your questions answered, register your child, and submit an application.

What are the steps to complete the process?

Explore: Explore unassigned student school options by attending an information session:

- **South Norwalk Community Center**, Wednesday, March 2, 2016, 6 pm.
